WEBINAR:

Supporting ESPs in Canceling Student Debt

Thursday, October 28, 2021
7:00–8:00 PM ET

Register: nea.org/esppdwebinars

Join student debt experts and education support professionals (ESPs) for a webinar to discuss how we can cancel our student debt. Just last year, NEA experts worked with members to obtain over \$1 million in forgiveness and put even more on the path to forgiveness. Find out how you can join that group and how we can join together to fight for student debt relief for all of us.
